7. I would recommend that future Year 8 students have the opportunity to do this workshop.

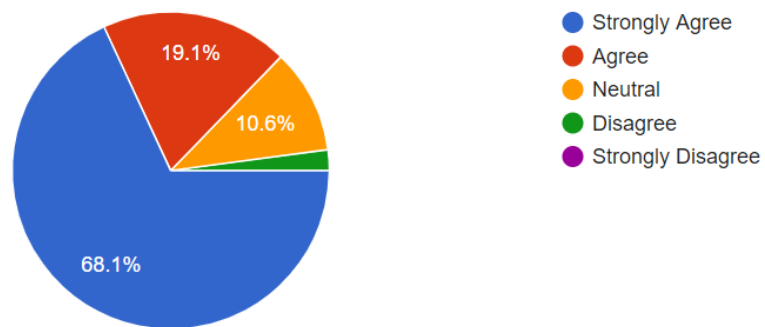

47 responses

---

8. I collaborated well with my partner.

47 responses

9. Which activity did you enjoy the most, and why?

44 responses

math

the questions and riddles

chocolate challenge because its pretty self explanatory

I like every activities because each and one of them are very engaging, thrilling and challenging which are the categories I love.

the choclates

chocolate

I liked the sheet questions

the chocolate challenge because it gave me a goal to achieve and not be stuck in a classroom

The lollie challenges because you got lollies!!

10. Do you have any other comments/recommendations/suggestions about this workshop?

31 responses

That it was fun

would like to help out when it is on again

chocolate challenge was good and fun working with partners

Nope

nothing

well it was very amazing in my opinion but it would be better if it'll take the whole day, not only 4 periods.

nah

learnt more in 4 hours then I have all year

you should be our teacher
